

Living Reflections of Jesus

Philippi was a Roman colony in Macedonia and one of the first places where Paul began his Christian ministry. The book of Philippians is a letter to the church in Philip and full of encouragement, instruction, and examples of the many ways Christians live for Jesus. Through the book of Philippians, children will learn how to be living reflections of Jesus.

Immanuel Lutheran Sunday School Fall 2019

Operation Christmas Child

It's not just about reading God's word, but it's also about doing what it says. Part of being reflections of Christ is living our faith in meaningful ways. This semester children at Immanuel Lutheran will participate in a program called operation Christmas Child that helps provide Christmas gifts to children in need all over the world.

Children's Ministry

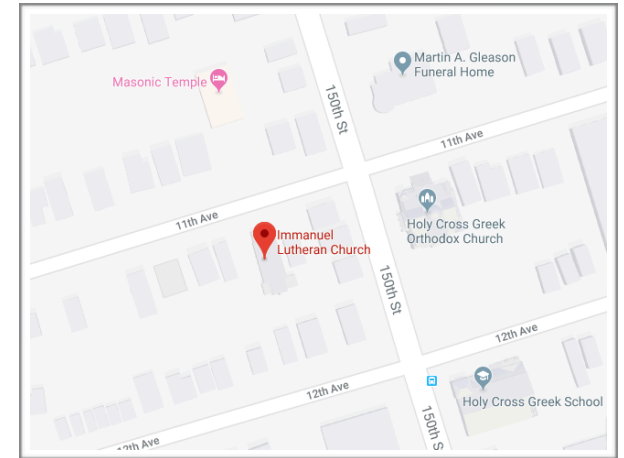

Immanuel Lutheran's growing children's ministry would like to welcome you and your family to our church! If you are seeking a place for your children to learn about God's word in a fun and creative way, then you have come to the right place. Immanuel Lutheran offers weekly Sunday School lessons for children ages 4-12 following communion at the 10am service. Through crafts, games, and songs, your child will learn important stories from the Bible that teach about love, patience, kindness, and God's saving grace. Your child will also have the opportunity to participate in our annual Christmas program and perform songs for church throughout the year.

During church, Immanuel provides interactive children's bulletins and invites the children to come to the front of the church each month for a special children's message just for them.

Immanuel also offers First Communion and Confirmation classes to youth 12 and up.
