

Gospel Adventures Mongolia

This semester Immanuel Sunday School is taking a virtual mission trip to the distant and unique country of Mongolia! As we learn about the people, culture and lifestyle of Mongolians we will uncover truths about God's Love, and discover how God is active in the lives of people all around the world!

This curriculum is designed to be a very interactive and immersive virtual tour of Mongolia and of Scripture. As we learn to speak, cook, and live like Mongolians the children will learn key concepts about God's love and the Bible. These activities are not just for kid's. All members of the family are encouraged to get involved. The following is a brief schedule of each week's topic. For more information, and to find out how you can get involved please contact Anna at anna@immanuelwhitestone.com, or speak with any of our Sunday School teachers.

Sunday School
Spring 2020

Global Kid's Fund

Children all over the world are in need of the gospel. This semester Immanuel's Sunday School class will be raising money through the Global Kid's Fund. The money raised will help support Vacation Bible School and other youth and family activities in places like Mongolia where the people have not had the opportunity to learn about Jesus.

Participating is really fun, easy, and can involve the whole family. Each child will take home a coin box that they decorate. Simply place the coin box in your home on your table, desk or dresser and regularly add your loose change to it. At the end of the semester we will collect the boxes and other donations.

In addition to this, you can also show your support through prayer. Pray as a family during meal time or before bed for the children who have not yet heard the gospel. Together we can be God's hands and feet reaching out to the people of Mongolia and around the world!

Immanuel Children's Ministry

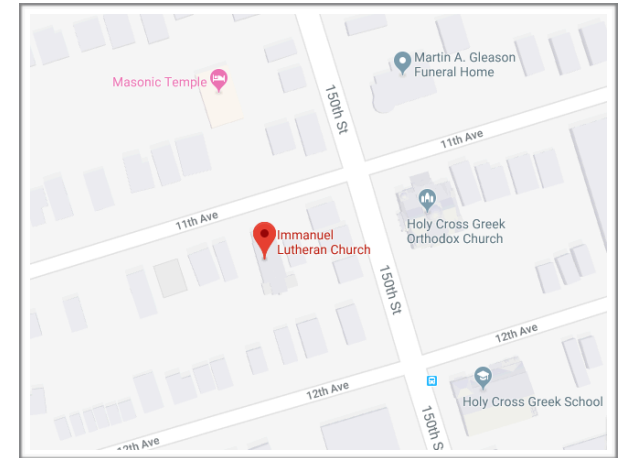

Immanuel Lutheran's growing children's ministry would like to welcome you and your family to our church! If you are seeking a place for your children to learn about God's word in a fun and creative way, then you have come to the right place. Immanuel Lutheran offers weekly Sunday School lessons for children ages 4-12 following communion at the 10 am service. Through crafts, games, and songs, your child will learn important stories from the Bible that teach about love, patience, kindness, and God's saving grace. Your child will also have the opportunity to participate in our annual holiday programs and perform songs for church throughout the year.

During church, Immanuel provides interactive children's bulletins and invites the children to come to the front of the church each Sunday for a special children's message just for them.

Immanuel also offers First Communion and Confirmation classes to youth 12 and up.
